DUTIES

Performs clerical and reception duties. Conducts re-application interviews for all programs; determines on going eligibility for the appropriate program. Assists the recipients in the re-application process: advise recipients of rights and responsibilities. Provides information about eligibility factors. Coordinates efforts with other agencies by selecting and referring eligible recipients to special programs or services. May perform follow up activities on all referrals. Uses all applicable computer systems to process cases and provide quality customer service. Performs case management activities. Maintains case files, processes required forms, and monitors case activities for continued eligibility. Shares pertinent information with interagency department; works with support staff and management to provide continuity in departmental procedures. Processes overpayments and under issuances. Tracks involvement in work activities. Prepares reports, statistical summaries and other documents for submission to supervisor. Attends training activities, seminars, workshop or meetings related to job related functions. Performs other duties required by supervisor or administration.

MINIMUM QUALIFICATIONS

-One course or six months experience in behavioral science, social science, or customer service techniques, one course or six months experience in business mathematics, one course or six months experience in business English, one course or six months experience in interviewing techniques, and one course or six months experience in typing, keyboarding, or word processing.

-Or education, training, and/or experience in an amount equal to the Minimum Qualifications stated above.

Unusual Working Conditions

The incumbent is responsible for placing clients into appropriate programs and keeping track of their progress. However, they are not directly responsible for the safety of others. The incumbent also works in an office setting where the probability of injuries is low.
